

Yaw TRiiCK Yaaaw! =D
by Jessica Fluffy Coelho

I remember seeing all those faces staring down at me,
wondering why I was performing in 5 clubs for Mount Pleasant's Multicultural
celebration.

I remember people yelling, "Benny, Benny," their voices laced with anticipation.
But the annual Multicultural event at MP was in full swing and it all happened so fast.

I remember just wanting to sleep against my pillow or going onto MySpace
wanting to return to my favorite place, the big beautiful hills that I considered to be my
second home.

I remember wanting to go onto YouTube and watching my favorite video, Yaw TRiiCK
Yaaaw!

But Multi was more important.

I remember being optimistic that my clubs would do fine
and being happy the whole time.

I remember feeling enthusiastic that we would end up being phenomenal.
But Multi was over before I knew it and it was the perfect way to end my senior year.
